BROAD EFFICACY SPECTRUM

COCCIDIOCIDAL EFFECT

► At a 3% dose, BIOOCYST reduces the number of viable sporulated oocysts in the environment by over 90% by converting them from a highly pathogenic sporulated form to an irregular, non-infecting sporulated form.

► BIOOCYST is effective on excreted endoparasites, including un-sporulated oocysts.

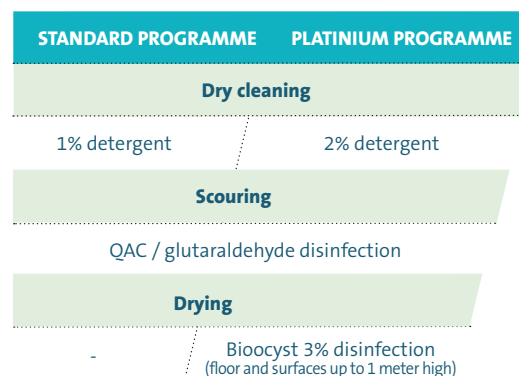

■ Regular sporulated ■ Irregular sporulated ■ Unsporulated

TRIED AND TESTED UNDER ACTUAL BREEDING CONDITIONS

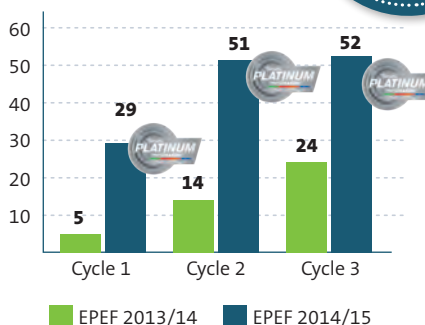

PROTOCOL

- 26 farms in trial over more than 2 years (2013-2015)
- 10 million birds across multiple production cycles

Source: UK trials, 26 broiler farms, 2013-2015

Using Bioocyst for the second disinfection at 3% improved the EPEF score by 30 points (10 million birds study)

EPEF: European production efficiency factor

$$\text{EPEF} = \frac{\text{Viability (\%)} \times \text{body weight (kg)} \times 100}{\text{Age (d)} \times \text{FCR (kg feed / kg gain)}}$$

PRECAUTIONS OF USE

DANGER

Harmful if swallowed. Harmful in contact with skin. Causes severe skin burns and eye damage. May cause an allergic skin reaction.

Do not breathe mist or vapour. Wash thoroughly after handling. Do not eat, drink or smoke when using this

product. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE/doctor. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

Contains: 2-Butoxyethanol, Acetic acid, Benzenesulfonic acid, 4-C10-13-sec-alkyl deriv., P-Chloro-M-Cresol 25%

USE BIOCIDES SAFELY. ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.

PACK SIZES AVAILABLE: 5KG - 25KG - 200KG - 1000KG
